

15MALAYSIA

Hello.

15Malaysia is a short film project. It consists of 15 short films made by 15 Malaysian filmmakers. These films not only deal with socio-political issues in Malaysia, they also feature some of the best-known faces in the country, including actors, musicians and top political leaders. You may think of them as funky little films made by 15 Malaysian voices for the people of Malaysia.

Please enter and make yourself comfortable.

Watch our films. Look at our photographs. Drop us rude comments. Display your own films. Grab cool goodies. Join competitions. Meet our people. Help us spread the word. Download anything you want...

We won't charge a cent.
